Dear Ms. Vasilkovs:

We are in receipt of your letter dated September 1, 1995. At this time, we do not have any problems with your investigation on our property, as described in the September 1, 1995 letter. As you proposed, prior to the start of your investigation, we would like to have Kenny Eakins and John Eichstadt, of Valley Asphalt Corporation, conduct the site reconnaissances with your personnel. Also, before conducting any activities this should be cleared with our personnel.

Very truly yours,

VALLEY ASPHALT CORPORATION
